John Dalby kept up the expectation that the best programs are those given by our own members. He did this by talking to us about people management and improving managerial skills. His motto is if the difficulty is in Production, Performance, Moral or Turn over then management is responsible for the difficulty not the employee. If you wish to expand your business beyond 25 miles then you need a management system. He shared his system with us. It is a wheel with spokes named 1- Selection, 2- Clarify, 3- Train and Enable, 4- Measure, 5- Recognize. With management at the hub of the

wheel. Books he recommends are 'The Secret; Blanchard & Miller. 'Leadership Effectiveness Training; Marcus Buckingham. 'Top grading; Bradford Smart; 'Good to Great'; Jim Collins. Leadership & Self Deception; The Arbinger Group.

Thank you John for an informative program.

Pres Greg then closed the meeting after presenting John Dalby with a Mug and a Tap out.
