“ Our glorious president ”

By Bill Ruff

The meeting was called to order by the always humble, yet glorious president, Steve Broadhag. The flag salute was presented by Kevin Davis. The meeting's invocation was perfectly inspired by Keith Corbin.

Just as the meeting truly began, Larry Goldberg walked in late and was immediately identified as tardy by our glorious leader and promptly fined \$5.00. Greg Hubbard reluctantly stopped eating and reminded the members that Back Pack for kids resumes this Thursday January 5th at the same location (behind the moving and storage at 4:30, maybe 4:45 pm. Ken Singleton indicated there were sign up sheets on each table for members to sign up to the party on 1-22-12 at the Elks.

Let the fining begin; John Vandermolen was fined \$25.00 for securing a sub contracting job in tuna town. Mr. Eddie Morgan was fined \$40.00 for his 15 year anniversary to his wife and purchasing a new Nissan Leaf, all electric car. Eddie predicts this type of car will as common in ten years as the Prius is now. If you ever been to this club's meeting, nothing but real man's trucks and V-8's!! Dr Singleton was fined \$5.00 for; what else interruption.

Jerry Colivas who is tapped out, agreed to do a presentation this year on the accordion. The entire club moaned in unison approval. Past President Tim Bartlett was fined \$50.00 for the success of his daughter accepted on a Fulbright scholarship to University of Arkansas. OUTSTANDING!!!!

Birthdays; Kristine Zellar was fined \$29.00 for her birthday the December 29th. Being the gentleman I am, I will not divulge her age (but it's the same as the fine and date). Rollin Johnson who turned 67 traveled to see his grandkids in Seattle and was subsequently fined. And finally Randy Hanson was fined \$45.00 for his birthday, which apparently consisted of a movie and frozen crab.

The program was actually very good. Past presidents John Moore, Tim Bartlett, John Goff, Don Bachman Jerry Colivas and Matt Nilsen (for dad Ed) spoke of the wonderful community and international projects through out the years that our club as completed. Also the lighter side of our outstanding group was displayed. But more importantly the fellowship and friendship never lost as we put service before self.
